

# 2018 CPT® Coding and Compliance Workshops Registration!

## 2018 CPT® Coding and Compliance Updates! (Formerly the AMA CPT Updates Workshops)

Join us again for this annual, comprehensive one-day seminar that provides the necessary instruction for participants to keep pace with changes in procedural terminology to help you achieve accurate submissions for reimbursement.

Gain exclusive access to leading CPT expert trainers. The workshop provides a thorough review of CPT changes to provide professionals with key knowledge to keep up to date with changes and new procedural codes. This year, the workshops will also include HCPCS level II, OIG Work Plan and compliance highlights for 2018, with excellent resources to take away!

### Features for this workshop:

- An introduction to and overview of CPT changes that include added, revised and deleted codes
- A detailed explanation of the rationales behind added, revised and deleted codes and guidelines
- Information on changes to the code set and guidelines
- 2018 Compliance, CMS and OIG Work Plan preview!
- 2018 HCPCS Level II preview of changes!
- Expert-led interactive training
- A copy of the AMA CPT® 2018 Professional Edition codebook  
-- *IMPROVED with full color illustrations!*
- A copy of AMA CPT® Changes 2018: An Insider's View codebook
- A printed copy of CPT® Changes Workshop Attendee Guide
- A copy of 2018 ICD-10-CM Additions, Revisions, Deletions

The AMA has redesigned the *2018 CPT® Professional* to a full color illustrated resource! Plus, the *CPT® Changes Insider's View* resource assists with better understanding of the changes. The features include improved rationales to communicate the reasons for, the implications of the changes, and much more.

The AMA has stated many CPT code changes will take effect in 2018. This edition of *CPT Changes* will explain changes throughout the entire code set, including tips in key areas of the most significant changes. New tables and subject-code index have been included for 2018!

The workshop will also provide key insight to essential compliance efforts in combating fraud, waste and abuse by reviewing the OIG Work Plan and auditing focus for Medicare and Medicaid. Be prepared in 2018 to be compliant from the start of the year. Let our experts steer you in compliance with a fundamental understanding for accurate application of the changes for risk reduction and accurate reimbursement!
