Chart Auditing Certification and Education! Make the Right Decision on Your Audits, Learn to Communicate Effectively Your Results

Intensive Chart Auditing Practicum's!

Gain knowledge and learn with hands on experience from a team of nationally recognized auditors, coding and compliance educators. Dig into regulations and rules, as you've never seen before.

These original, one of a kind programs, have been a collaborative effort developed by the Association of Health Care Auditors and Educators and are designed to provide critical elements needed for accurate medical record chart auditing and effective compliance.

Intensive Chart Auditing Practicums include trainings for Professional, Surgical, Risk, and Facility. The auditing training is essential for the serious auditor. If you are just beginning or are a seasoned auditor, this program is for you. Our expert team of instructors will guide you!

2022 Intensive Chart Auditing Practicums

Our members spoke and we listened. Practicums and auditing certifications are expanding in 2022!

Are you dazed by DME? Confounded by the CDM? Obscured by outpatient changes? These are a few areas of focus for 2022.

All other practicums, the curriculum (Professional, Surgical, Risk and Facility) are updated to keep auditors current.

Virtual-Live and in-person dates and locations for 2022 are TBD.

You'll receive auditing resources and AHCAE chart auditing tools to start you auditing immediately when you get back to your office. Get your questions answered from a team of experts. You won't get this type of "live" interaction from online courses only or from other copy-cat programs. Plus, class size is limited. Gain tremendous experience through hands on application. Register today!
